WHAT CHANGED THEM

fresh air **exercise** **sunshine**

outdoors sunlight nature endorphins people

freedom joy heart rate happy hormones flying

peace *wind* *alive* *motion is lotion* *biochemistry* *dogs*

mezcalrita

IN THEIR OWN WORDS

"The exercise and sweating broke me out of thinking about what I was mad about and took the edge off the emotion."

1 ● → 4 ●

"Biking makes me feel free. I feel peace and joy on my lonesome wheels, watching the trees and houses fly by."

3 ● → 4 ●

"biking feels like flying, and i get to see all the animals, plants, and people in the world. all of that makes me happy."

2 ● → 5 ●

"Sun gives life! Also motion is lotion, it does wonders for my body."

3 ● → 4 ●

"Sunshine and activity and maybe a mezcalrita."

4 ● → 5 ●

"Because exercise reaches a higher level and it makes you feel better after you had a fun time biking — fifth grader Addy"

3 ● → 4 ●
